

A WORMS EYE VIEW  
FERGUS & DISTRICT HORTICULTURAL SOCIETY  
NOVEMBER 2023

SUMMER MAY HAVE ENDED  
BUT THE GARDENING NEVER STOPS

2023 Annual General Meeting (AGM) of the  
Fergus & District Horticultural Society  
Wednesday, November 22, 2023.

**Doors open at 6pm, dinner at 6:30.**

Please bring your food contributions, dinnerware and name tags.

Followed by the AGM at 7:30PM.

### **President's message November 2023**

It's a lovely November day, sunny and 10 degrees. Randy and I have been pressing apples, making cider, tidying up the gardens, washing windows and enjoying this last hurrah before winter. We had a peaceful walk around the Rockwood Conservation Area this morning, the annual GRCA pass is worth its weight in gold! We are lucky to have so many beautiful parks nearby.

I'm wrapping up my stint as president of the society this month. It's been quite an interesting experience with lots of wobbly learning curves. I was fortunate to have many board members and members helping me along the way with reminders and suggestions, though I have undoubtedly forgotten a few things. I'm looking forward to Ken Johnston taking the reins, with fresh plans and ideas.

Thank you all, have a wonderful winter. *Karen*

## January 2024 meeting

As far as speakers are concerned, January is our members show and tell meeting. If you have been on an exotic trip or seen beautiful gardens and have photos you are willing to share with the group please contact Jennifer. In fact, if you have a hobby and have samples of your wares that we could display, that would be great as well.

## Plant Moving

A group of “diggers” helped Claire McKay dig up plants from her backyard for the plant sale next year

That's all the news for 2023. Newsletter returns in January.
